## Program Highlights

-  A virtual classroom showcasing hands-on activities led by credentialed and bilingual teachers
-  Project-based materials and supplies provided to each child
-  Children will explore, create, build, engineer projects, and go on virtual field trips from the comfort of their own homes
-  Special guest visits, snack and paint event, and cool dance parties
-  An opportunity to connect with peers, be creative, use ones imagination, and have fun!

## How to join?

**When:** June 22-July 17, 2020 • Monday to Thursday with optional Fridays • 2-3pm

**Where:** Zoom (invitation link will be provided after registration)

**Cost:** \$400 (cost covers a 4 week session)
