Family Connections Centers (FCC) provides community-driven, multilingual education and support programs to ensure children and families can thrive. We envision a connected, equitable community where every child and family can access the education and resources they need. FCCs Early Childhood Education includes facilitated child-parent playgroups (0-4 years) and licensed Pre-K programs. Teachers help children and caregivers grow together and build the foundation for young learners to succeed. For children in grades kindergarten through 5th, we offer daily summer and after-school programs. Homework Club and Summer Academic Enrichment emphasize literacy, science, math, engineering, computer skills, and social-emotional development through academic support and extracurricular activities. FCCs multilingual Family Support programs help families increase the stability in their lives and provide parents/caregivers with the education and resources they need. Cont in Sch O. Educational Services: Our Education programs provide vital, high quality early childhood education and supplemental prgrams for children in preschool and grades K-5. Hundreds of children participated in our Education programming, including our family pre-school readiness program for 3-4 year olds; our licensed Pre-K; our afterschool Homework Club for children in K-5th grades; and our Summer Academic Enrichment program. Healthy Connections: We work collaboratively with local populations to identify relevant needs and solutions, including the special health and wellness needs of preganant mothers and parents/caregivers of infants and young children. By working with parents/caregiers during the first years of childrens lives in a culturally sensitive and community inclusive way, FCC alleviates the stressors that frequently impair child development while providing opportunities for families to build strong homes in which to raise healthy children.
